الواجهة الرئيسية للبرنامج

شرح الرئيسية للبرنامج

The screenshot shows the main window of FormatFactory 3.3.5. The interface is in Arabic. At the top, there is a menu bar with 'Task', 'Skin', 'Language', and 'Help'. Below the menu bar, there are buttons for 'Output Folder', 'Option', 'Stop', 'Start', and 'HomePage'. The main area is divided into a left sidebar and a central workspace. The sidebar contains a 'Video' section with various output format icons: Mobile Device, MP4, AVI, 3GP, RMVB, GIF, WMV, MKV, MPG, VOB, and MOV. Below the video section, there are tabs for 'Audio', 'Picture', 'ROM Device\DVD\CD\ISO', and 'Advanced'. The central workspace has columns for 'Source', 'Size', 'Convert State', and 'Output [F2]'. At the bottom, there is a status bar with 'Elapsed Time : 00:00:00' and a checkbox for 'After Converting : Shut Down Computer'. Three callout boxes provide additional information: one points to the 'Option' button, another points to the video format list, and a third points to the 'Audio' tab.

The screenshot displays the Format Factory 3.3.5 application window. The main interface is divided into several sections. At the top, there are menu options: Task, Skin, Language, and Help. Below this is a toolbar with icons for Output Folder, Option, and Remove. The central area is titled 'Video' and contains a grid of 12 video format icons, each with a label and a small icon representing the format. The formats are: Mobile Device, MP4, AVI, 3GP, RMVB, GIF, WMV, MKV, MPG, VOB, and MOV. At the bottom of the main area, there are three tabs: Audio, Picture, and ROM Device\DVD\CD\ISO, with 'Audio' currently selected. The bottom right corner features the 'Format Factory' logo and images of a camera and mobile devices. The status bar at the very bottom shows the file path 'C:\Users\mostafa\Desktop', a checked 'Use Multi-Threads' option, and the 'Elapsed Time : 00:00:00' and 'After Converting : Shut Down Computer' options.

The screenshot shows a software window titled "-> Mobile Device". It features several buttons: "Output Setting" (with a gear icon), "Option" (with a folder icon), "OK" (with a right arrow icon), and "Add File" (with a plus icon). A table lists a file named "Wildlife.wmv" with a size of 25.03M, a duration of 00:00:30, and a video size of 1280x720. The "Output Folder" is set to "C:\Users\mostafa\Desktop". There are also "Add" and "Change" buttons at the bottom right. A checkbox for "Append setting name [Nokia N98]" is present. The interface is annotated with Arabic text in blue speech bubbles.

ثانياً : تحويل صيغ الصوت

The screenshot displays the Format Factory 3.3.5 application window. The interface is divided into several sections:

- Task Bar:** Contains icons for Output Folder, Option, Remove, Clear List, Stop, Start, and HomePage.
- Category Selection:** A sidebar on the left has 'Video' and 'Audio' tabs. The 'Audio' tab is selected, and a blue callout box with the Arabic text 'نضغط هنا لظهار صيغ الصوت' (We click here to show audio formats) points to it.
- Audio Conversion Grid:** A grid of 12 buttons for audio formats: Custom (with a '1' icon), MP3, WMA, APE, FLAC, AAC, MMF, AMR, M4A, M4R, OGG, and WAV.
- Bottom Section:** Includes 'Picture', 'ROM Device/DVD/CD/ISO', and 'Advanced' tabs. Below these are icons for 'Camera' and 'Mobile Device'.
- Footer:** Shows the current path 'C:\Users\mostafa\Desktop', a checked 'Use Multi-Threads' option, and a status bar with 'Elapsed Time : 00:02:17' and 'After Converting : Shut Down Computer'.

رابعاً : أجهزة القراءة (CD- DVD - ISO)

The screenshot displays the Format Factory 3.3.5 application window. The interface includes a menu bar (Task, Skin, Language, Help), a toolbar with icons for Output Folder, Option, Remove, Clear List, Stop, Start, and HomePage, and a main workspace. On the left, there are four conversion buttons: DVD to Video File, Music CD to Audio File, DVD/CD to ISO/CSO, and ISO <-> CSO. A blue callout box points to the 'ROM Device\DVD\CD\ISO' option in the left sidebar, containing the Arabic text: 'نضغط هنا لأظهار قائمة اجهزة القراءة' (We click here to show the list of reading devices). The main workspace features a table with the following data:

Source	Size	Convert State	Output [F2]
Chrysanthemum.jpg	858K	Completed	C:\Users\mostafa\Desktop\Chr...

At the bottom of the window, there are advertisements for Camera and Mobile Device, the 'Format Factory' logo, and a status bar showing 'Elapsed Time : 00:00:11' and 'After Converting : Shut Down Computer'. The bottom-left corner shows the path 'C:\Users\mostafa\Desktop' and a checked 'Use Multi-Threads' option.

خامساً : متقدم

The screenshot shows the Format Factory 3.3.5 application window. The title bar reads "FormatFactory 3.3.5". The menu bar includes "Task", "Skin", "Language", and "Help". The toolbar contains icons for "Output Folder", "Option", "Remove", "Clear List", "Stop", "Start", and "HomePage". On the left, a sidebar lists categories: "Video", "Audio", "Picture", "ROM Device\DVD\CD\ISO", and "Advanced". The "Advanced" category is selected, and a callout box points to it with the Arabic text "عند الضغط هنا ستظهر قائمة متعددة المهام" (When you click here, a multi-task list will appear). Below the sidebar are buttons for "Video Joiner", "Rename", "Audio Joiner", "Mux", and "Media File Info". The main area is a table with columns "Source", "Size", "Convert State", and "Output [F2]". At the bottom, there are icons for a camcorder, a CD/DVD, the "Format Factory" logo, and "Mobile Device" icons. The status bar at the bottom shows the path "C:\Users\mostafa\Desktop", a checked "Use Multi-Threads" option, and the "Elapsed Time : 00:00:14" with a checkbox for "After Converting : Shut Down Computer".
